### The Lady:

One lady on a day & luckily no waiting. Rebecca is on Wednesdays. Once she was ready you are let into the room. From Poland with very good english. Long dark hair, lovely eyes, size 12 just right, DD boobs & a lovely tight ass & pussey.

### The Story:

This lady specialised in C.I.M, so opted for this with reverse oral. Dressed in naughty glamour wear, we were soon undressing each other. This girl is really naughty, licking my nipples & chest. My hands were wondering all over. She then released her boobs & removed her suspenders & little thong. I began to finger her little mound & she put one leg up on the bed. she then layed on the bed as I explored her boobs & lovely nipple, needless to say I had them standing to attention. I then decided to concentrate on her pussey that was getting wetter. Licking it at first she began to grown & I asked her to select a finger of mine to stick in her. (Like I said this girl is really naughty). Finger selected I began to frig & lick her out. She took a few minutes to cum but it was worth the wait. She gives good encouragement about how fast & when she is cuming. My turn has she layed up in the bed & took my fella. Once she got to work theres no turning back & once you begin to feel the sensation you know that this girl knows what she is doing. Treat this girl well men, she is well worth the wait.
