The Premises:

I have visited various ladies at London Retreat and really appreciate the level of service and quality of attention. It is a well managed operation with an excellent website.

The Lady:

Lisa is in her mid-twenties with shoulder length brown hair. She is very fit with wonderful skin tone and a great sense of humour. She has spoiled me for all other working girls. None match up, which has it's downside.

The Story:

I allowed Lisa to do things to me that I have never experienced before, and enjoyed almost every minute of it, including her penetrating me with a strap-on, a truly mind-blowing experience. This was only possible through the level of confidence she instilled in me. The other reviews of Lisa speak for themselves. She is a star.
