The Premises:

The flat is lovely. Clean, modern, wooden floors, very tastefully decorated, the room was a little small, but nice enough for the job in hand.

The Lady:

Carla's pictures and description on the web site are accurate. wonderful breasts that are entirely natural and a cute bum. A very pretty face and sexy eyes. Hot!!!

The Story:

She has a face that just says come and get me Wow what a smile, she was turning me on just following her into the room, she was wearing a one piece see all black negligee, we had sorted out the cash, and I paid the extra tenner for the OWO, well worth it, she has the sweetest pussy I have ever tasted, completely smooth, a perfect piece of art. And her nipples are also perfection. The time went quick so I must have enjoyed myself, will remember to book at least 1 hour next time. This is and has been the best punt I have ever had, Very nice girl, would love to take her home and keep her to myself, look after her guys.

Thanks Carla for a memorable time, see you soon X
