The Premises:

On the main A4 Bath Road in a rank of shops in Arnos Vale. Parking either outside (but beware during working hours it's a bus lane) or in a side street. Front door was open into a porch where you then have to ring the door bell to gain entry so your not left standing out on the open pavement. Apparently there is a rear entrance to the building but didn't fancy that at this time of night. Inside was clean, shower was a bit crap (more of a dribble), bed comfortable.

The Lady:

Once through the door your in the lounge and the ladies are sat on the sofa. There were 2 ladies to choose from once girl was short and slightly rotund and Sascha who was slim, about 5'9", dark hair, pale skin, pretty face, nice pert c-cup boobs, mid-20's. However once undressed did notice lots of self-harm scars on her arms.

The Story:

Started with some mutual caressing, sucked on her pert tits. Then on with the cover for some reasonable oral and positioned herself so that I could finger her wet pussy. She then moved in to position for some doggy and after 5 mins moved round for some mish, legs spread, pussy open from having been fucked, looked great in I went! Started slow to pace myself, as I got closer to cumming she brought her legs up for good penetration. After cumming we cleaned up and showered and got a big cuddle and kiss goodbye. A good punt for the price in Bristol but not if you want the prettiest ladies.
