The Premises:

Very nice clean & modern flat. Easy parking by Staples / apartment block.

The Lady:

Well what can I say other than she is an absolute stunner! Came in wearing a matching baby-doll and thong set, looking good. Then took them off and looked even better. A petite frame with a great tan, boobs, bum everything! Pics on website don't do the job.

The Story:

We started off kissing and fondling. Then some OWO with her looking up at me with some great BJ eyes! On with the cover some cowgirl, mish and doggy to finish. We then chatted and caressed each other some more till I was hard again, didn't have another condom so she suggested I straddle her and she wrapped her tits around my cock as I thrust. Unfortunately didn't manage to come again but felt fantastic all the same. This was a true GFE (so much so I even tipped with the last fiver in my wallet afterwards)! Thank you Tia for a great experience!
