The Premises:

Nice mews flat off Fulham Road - entrance a bit shabby but flat smart enough - large bedroom and smart bathroom

The Lady:

She is a stunningly beautiful young Russian who smiles readily and whose face lights up when she does. Also she has a models body, and springs around the flat naked like a young gazelle. It is worth the money just to lie and watch this beautiful young woman ! She speaks extremely good English.

The Story:

Really quite new to the game and did enough but not a lot more, mainly because I don't think she knew how to. Came and had a shower with me which was very good, came back, and we had a good first round of sex, although the bbbj was fairly perfunctory, but she certainly lets you know when she is having a good time which is good. After that she really wanted to talk - pleasant enough but not what I happened to want, so time ran out before I got to a second pop.

She is exquisitely beautiful and very sweet, but no PSE - nice but not great. Back to Grace of Bunnies for me !
