The Premises:

The Apartment was easy to find and there was plenty of parking available.

The Lady:

Upon arrival I was greeted by Roxanne, who is a very sexy lady. She was wearing Stockings and a lovely bask. She had just stepped out of the shower and was feeling and smelling ever so fresh. It was a pleasure to talk to her and she made me feel at ease straight away.

The Story:

As it was my first visit we started with a gentle massage and chat before moving on..

Roxanne advised that oral was her speciality and it certainly was.

Cowgirl was great before moving onto Doggy and finishing with some more of that speciality oral in a 69.

Afterwards we chatted briefly before unhurriedly I was shown the door.
