The Premises:

On a main road, next to a busy post office so a bit off putting if you like to sneak in! Two rooms upstairs with a big open room down. Not the cleanest ever but no danger to your health!

The Lady:

Joanne is a late 30s larger lady, short hair and cracking boobs!

The Story:

Joanne met me at the door and was my first choice. She was friendly and put me at ease straight away.

Started with nice body to body and she then tickled my cock and balls from underneath to get me going. Proceeded to flip me over for more and gave good covered O. Lots of talking, lots of eye contact made it even more horny!

Finished by fucking doggy with a good view in the mirrors! Spunked fairly quickly but no rush to get me out. Joanne was great and for ?20 you cant go wrong! Will go again for sure.
