Basement flat in a townhouse close to the tube station (only 2mins walk). Lots of parking although it's mainly residents only but some meters close by. Inside is clean, stylish and secluded

### The Lady:

Exactly as the photos - medium height, long blonde hair, smaller breasts and a nice juicy backside. The website(s) claim her age as 24 so she is aging very well as she comes across as slightly younger.

### The Story:

This girl popped up on a few sites recently and was on my 'to do' list. She is cheapest for 2hrs at this agency and I am currently enjoying taking my time. I asked for her to be in her 'maids' outfit and she obliged so I opened the door to her already in the right mood - the naughty maid was a lot of fun. Once the formalities were out of the way, she all but leapt on me and everything was performed with enthusiasm (which counts for a lot in my book) and energy. Foreplay was short largely due to her being sopping wet and ready for the main course. This took place a number of times and in a variety of positions leaving me pretty shattered by the end.

Conversation was ok but not amazing as her English is limited, but still enough to get across that she was bright and easy going. When I was worried about the time near the end, she announced that 'there is always time for more sex' - which is just the right attitude in my book.

In short, she is pretty, sweet, energetic and a bundle of fun. Be nice to her and it pays dividends. Definitely one to go back to!
