The Story:

Well guys she is back, and am so pleased. Wanted to try her for all the good reports I have read, and she did not disappoint in the slightest. I am not one who talks about treat her well and all that nonsense, but I can honestly admit she deserves respect and she got it. A wonderful lady who provides what a lady of this profession should but with a very special service in her personality also.

Basically I was drained!!!

A top quality lady and first class service, I for one will be back.
