The Premises:

As described many times before. Clean, safe and easy to find

The Lady:

See web site photos/previous reviews which are accurate. A very high phwoar factor that many girls 10-15 years her junior would kill for. Slim, pretty, leggy and busty (C cup, in perfect condition and natural as far as I could tell).

The Story:

A gentle, unrushed and full half hour which is what I wanted. I got the impression that had I wanted 120 mph shagging then thats what I would have got.

Nice back rub/ball tickle, gentle OWO & ball licking (included in the basic ?60 but could have covered if wanted) and covered sex in whatever positions I wanted. Finished by hand on her boobs. Excellent!
