The Lady:

Website photos and details are accurate. Charlie is tall, slim, has a fantastic body and is very attractive - shame her face is not visible on the site.

The Story:

I requested Charlie wear black stockings, black bra & panties and an evening dress as I wanted to go out for a drink before the fun started. She arrived bang on time and when I opened the door I was greeted by a tall, stunning lady who made me immediately feel horny.

We dispensed with the idea of going out and ordered drinks in the room where we got to know each other a little. She is an excellent kisser and it didn't take long for the bulge in my trousers to become visably noticeable.

Charlie took full control and gave me one of the best BBBJ's I have ever had. We then moved to a more suitable position on the bed where once again she took the lead and took me straight to heaven.

I will dispense with the full details suffice to say Charlie was absoulutely fantastic and also guys - she was previously a lap dancer and knows exactly how to move!

Thank you Charlie for a fantastic experience - I shall return !
