The Premises:

Trisha works from a clean flat North of Leeds City centre. The location is easy to find but discreet. Parking is easy on street and I felt perfectly safe

The Lady:

Stnningly good looking with a divine curvaceous figure.

The Story:

Trisha is great fun to be with and I am sure that she can put anyone at their ease. I don't want to go into detail but suffice it to say that trisha is a great kisser and a sex expert who left me totally satisfied. She is also an excellent conversationalist. Without doubt a fantastic experience.
