### The Lady:

This is the 3rd time i've seen Tammy. The previous couple were a few years ago when she was independent In Radcliffe-On-Trent. She has absolutely fantastic tits and a cracking all over suntan. She now has shoulder length black hair.

### The Story:

Started off with an absolutley amazing massage. God only knows why its taken me so long to see her again. Sex was great with her on top then in missionary to finish. There are alot of crap working girls around at the moment. Tammy is not one of them and this is probably about my 60th punt which has to rate near the top of them all. Definitely pay her a visit
