The Premises:

Terraced flat off High Street Kensington.

Parking can be a real problem during the day but plenty of it at the time I visited.

The flat is ok but nothing spectacular.

The Lady:

Teenager with longish auburn hair and ok figure. Quite busty at 36d.

The Story:

Went to see this girl upon recommendation by the receptionist who insisted she was their best and most popular girl.

Alice doesn?t speak much English and I found her to be rather shy to start off. Not very talkative either though she is quite smiley.

Had a chat with her for a bit. She performed the owo in short bursts and it wasn't deepthroat. Had some mish after that and sucked her tits for a bit and came.

Lay on the bed and chatted with Alice in very basic English. She gradually warmed up to me and seemed to enjoy my company.

Had a second round which consisted of jerking myself off over her tits.

Not a PSE, but it was a gfe and I found her to be unrushed and very relaxed with me. Theres plenty more girls to see so I wouldn't return though she gets my approval.

7/10 for looks and service.
