The Lady:

Mature lady (52) very friendly and welcoming. Real woman next door type. OK so not an absolute stunner but if you like the older woman she could be what you are looking for.

The Story:

Sandra was dressed in stockings and suspenders, offered to keep them on if I wished, asked her to remove them, prefer mine without once the action starts. Started with a nice relaxing back massage. Moved so the other side could have some attention, soon got it hard and ready for action. Played with her tits and pussy for ages, no rush at all. She got very wet and finally came to a great orgasm. On with the plastic mac and a bit of very nice oral. Finally got on top and got her legs high for deep penetration, all the right noises, very genuine. Plenty of dirty talk and finally shot a good load deep inside.

All together a great 30 mins if you like the more mature aunty type of woman
