The Premises:

Nice, spotlessly clean flat with choice of VIP, schoolroom and nurses room plus a dungeon which I didn't see. Maid was Jody, bubbly and friendly but who's descriptions of the girls over the phone was maybe a little too descriptive (although accurate) and the list of prices was so long and detailed as to be confusing (or prime wanking material for the time wasters the maid's always complain about). As another punter (ron56) said, it was a shame she wasn't working. She did say that the usual Sunday maid did do a 'watch the action' service and might be persuaded to join in!

The Lady:

2 girls were working. Rebecca is in her 30's, very tall, slim, tanned and (natural) blonde with a small 'landing strip' of neatly trimmed hair and with boobs to die for - a real stunner who matched the maid's description perfectly. A former catwalk and fashion magazine model. The other girl was a younger dark haired Italian girl who I didn't see and who's name might be Jennifer?? Rebecca told me that they did a 'real' lesbian service together on Saturdays for 30mins @ ?140 which they both really enjoyed and were into. Maybe next week for me.

The Story:

Chose Rebecca and the VIP room and the one hour come as many times as you like with a drink (beer or tea/coffee or soft drink) DVD and toy show. Room was immaculate with a TV playing a DVD, mirrors at both ends of the bed and a much nicer atmosphere than any parlour I've been to before. More like a nice private bedroom (much nicer than my place!). A real GFE with a lovely girl who was by turns wickedly sexy, funny, horny, sensitive and understanding and then back to a horny minx again. A great time was had by both of us (I hope). Lots of kissing and laughs, great OWO (at her discretion) & CIM a toy show and all done with a great fun and sexy attitude. A breathe of fresh air, rather than the usual grubby experience with some uninterested and therefore deeply un-sexy girl of 19 or 20 who would rather be somewhere else. Worth the extra money to see an intelligent and fun woman and to leave the appointment feeling 10 feet tall, on wobbly legs, knackered, but satisfied on more than just a physical level.
