The Story:

what can i say, ive been round quite a few flats in the area and i found this one by mistake. God was i lucky that day to have done so, and iam not easily pleased. Lucy was very frendly lady and took her time with me .

Lucy knows her job and how to please a man to the full,one of the best blow jobs ive had in a long time ,very adventurous lucy loved sucking my balls i felt she realy loves her job as spent a long time , and then it was on to all fours from behind and then many different positions,very relaxing atmosphere where you can just let your self go. cant wait to return .
