The Story:

Skipped the massage and Amber gave me breast massage over my cock to get him going. After a while she knelt between my legs and with a hat on Amber gave me some lovely oral. A cuddle and a nice kiss with gentle fondling both ways. I asked if reverse oral was included to which she said yes and that was me in heaven. Amber has the most beautifully smooth and soft pussy that I started to explore with my tongue, as she start to warm to this I stroked her lips apart to reveal the most fantastic pink clit. I must have spent a good 15 mins licking and sucking with some gentle finger work and Amber without a word told me that I was very good and she was enjoying it lots. All the time giving oral Amber stroked my cock almost making me come several times.

After a good while I entered Amber and then some Camel toe slide that was lovely before Amber came on top and then that brought me to a crescendo that was great.

I have had some good punts but this really has to be rated one of the very best.

Amber, I will make sure that my next visit will be to Banbury Oasis
