The Premises:

Quiet place in Milton Keynes, very nice and clean room with sofa and bed

The Lady:

pretty face, slimmer body than her pictures on web, quite friendly girl, 5' 7" tall, quite fit body.

The Story:

It was afternoon and she had busy working day, she look abit tired. It would be better to meet her earlier time. She laid on the bed and I joined her on the bed and we started kissing. We spend alot time kissing, because she kissed very nicely. I went down slowly to her leg and then gave her long oral. It tasted very good. She then gave me covered bj for a while. Then she suggested me for doggie, I entered from behind, she has wounderful bum and I couldn't hold very long after seeing her from behind. I cum inside her. Good experience.

Would I visit her again - No

because there are other beautiful girls in HOD why limit my chance to one girl.
