### The Premises:

was safe and clean,reasonable block of flats

### The Lady:

in my opinion an attractive girl on the surface who becomes much more attractive and beautiful as the meeting lasts.a rare thing in my opinion,a joy for people who want to connect.all services delivered with a certain gust

### The Story:

as the session drew to a close she looked up to me open eyes and said do you want to go for it in her sweet bellurussian accent and within 20 secs she was silent until she returned from the bathroom.cannot describe the feeling of bliss.at the end we shared a can of guiness .i wish i could take her home but every one would ask about my daughters accent,one for the connecting client although i suspect she has a raunchy side ps loves guiness.absolute sweetie
