The Lady:

Karry is quite tall - has a very fit body and great tits. Very sexy and looks better in real life than in her pics and she looks great in those.

The Story:

We have seen each other quite a few times now so thought I should put a review here. She's amazing - this was a last minute late at night booking. She has quite a way to drive to me but was here in very good time. This is one VERY hot lady - read all she says she does in her profiles and yes she does and then some. But not only is she very hot and sexy but fantastic company too. If you haven't seen her before then I recommend you do it - you are in for a treat!!
