### The Story:

Karry prefers contact via e-mail in the first instance. We mailed each other a few times to discuss details and clothing etc and we arranged to meet at my hotel. On her arrival I was taken aback as her picture's don't do her justice. She arrived wearing a short skirt and a blouse, she has great legs. After a cup of coffee and a chat to break the ice she changed so we could go to dinner, when she came out of the bathroom she was wearing a short sexy black dress. I commented on how sexy she looked and she hugged me and gave me a deep french kiss followed by a fantatstic BBBJ to finish; this lady has a great technique.

After dinner and a club, during which she gave me the full GFE, including lots of kissing and groping, we returned to the deserted hotel bar for a nightcap. As we sat in a discreet part of the bar area we were able to explore each other's bodies a bit more and Karry was very uninhibited.

Back to the room for more of the same. All I can say is that Karry does exactly what she says on her site offering OWO, CIM, Anal, toys, uniforms (may favourite was the air hostess) and a lot more. All her services are provided with enthusiasim. She is fun to be with and good to talk to as well. During the meet she alternated between providing the GFE and PSE.

All in all this was a great meet with a lovely sexy lady who does exactly what she says she does, and she does it with a smile on her face, a true gem. Surprisngly she has no reports here but does have a great number on another site.

Hopefully I'll be paying a return visit soon.
