The Lady:

Below average height, in good shape, pretty and the most amazing 38HH natural boobs you will ever see! All packed into a very tight fitting blouse and skirt!

The Story:

Sarita is a boob lover's dream! Her boobs are soft yet firm and just love to be played with! Sarita herself is a lovely woman who will put nervous punters at their ease (myself included as it was my first time) and really knows how to tease and please ? she is very genuine in her pleasure! She came as much as I did!

She knows exactly why I was there and was more than happy to let me indulge in those mountains of flesh! She greatly enjoys having her boobs played with is more than happy to play with them as well! They are a real joy to hold, feel and suck. Both nipples in the mouth is something not to be missed!

She is very open about what she likes and dislikes (she likes almost anything!) and had many a suggestion about things we might like to try. Although she gains great pleasure from the appointments she did put my pleasure first at all times.

The boob play was amazing but she sex and boob play was even better! This is not a woman to be missed! I'm saving my pennies for a repeat visit!

If you are reading this Sarita, Thanks for the best hour of my life!
