The Premises:

As reported before this place is a dump. The entrance is discreet but it is in a road with lots of people around who you cant help feel know where you are going! There is no lock on the door which is a bit of a concern and the place is a total mess and smells of urine.

The Lady:

Once you get over the initial shock Cathy is a really nice girl. She is maybe late 30's and no supermodel but she is not ugly either. She is quite large but personally I prefer this to stick insects.

The Story:

The deal was Sex for ?30 or oral for ?20 with a choice of with or without protection. I opted for the latter. On with a blue movie and down to business. Cathy offers a fabulous BBBJ which is astonishing value for money. My input into the debate on Cathy is the for ?20 its amazing, the whole experience is almost intensified by how dirty and messy the whole place is and if I lived in Norwich I would be there all the time.
