The Story:

nice chick who made me tick in all the right places.fit body,nice smallish pert breasts with one pierced.she started of by asking me what i like so basically i told her owo,cim and be as dirty as she wants.ha .

i got my wishes with an expertise bj and came plenty in her mouth ,she kept suckin out every last drop then proceeded to discreetly remove it.

she then wanted her fun so i went down on her smooth pussy,which was also pierced with a ring. i gave her a nice long orgasm then she proceed to on with the condom and sat on me for a good ride.we had a few more p[ositions then she removed condom and gave me more owo of which i was real close to cumming again.

on with another condom,more of her on top then i needed a break.

we showered together and that wasa that.

all in all a real good punt with a girl who looks after her clients and seems to enjoy..
