The Lady:

The pictures on her web site are excellent, but to see Dianna for real has to be seen. She is a most attractive lady and well dressed. A super figure and which she takes care of, through exercise and watching what she eats.

The Story:

Dianna is a superb conversationalist, she is not boring just the opposite very interesting. Being in Dianna's company for three hours went very quickly. She makes you relaxed from the minute you meet her. Her massage is relaxing and gentle and soon has you relaxed. Her personal skills are excellent and what happened between us remains between us, suffice to say she is a very nice and experienced lady.

I will be seeing Dianne again.
