The Premises:

Honeyz in Forest Gate I've reported on before. Clean, quiet and very acceptable.

The Lady:

Brittany is 19 or 20. She's not stunning, but has pleasing ordinary looks. She is about five feet three, shoulder length brown hair, slightly freckled, and gorgeous small breasts.

The Story:

Brittany greeted me in a really friendly way, and as mentioned above has those pleasing everyday looks, which I find a real turn on. As I hadn't seen her before, I thought I would find out what she was like.

It turned it was her first day at Honeyz, and as I was early I guess I was the first punter.

To start off with Brittany gave me a light massage, and a quick feel around. When I turned back over, I requested she strip off completely. I was immediately turned on by this. Brittany has a lovely firm body. She was keen to talk, so we had a chat for a few mins, before going any further.

I had to initiate the next stage. Not because Brittany was unwilling, just that she likes to natter. I gently stroked her breasts and clit, gradually getting her more wet, and moved my fingers further inside her. She really was getting very pleasingly wet. Then I think as a reward for this, I got some oral without.

Brittany is absolutely outstanding at this. Sadly, I had to stop her quite soon, otherwise I would have come. She said, it was just as well as she can do it for ages as she loves it (what a girl!)

We then moved onto sex, with me on top. I took this gently, as I was very turned on, and didn't want to come too quick.

I can't say it was my longest session, but it was hugely enjoyable.

We had another chat afterwards, and I thanked Brittany for an excellent time. She returned the compliment, and thanked me for a gentle session, which she said she really likes.

I left on a high - another great Honeyz girl. A fab experience at a very reasonable price. I would most certainly like to see Brittany again.
