The Premises:

Usual block of apartments but moved to the floor below as mentioned in a previous report.

The Lady:

Fairly tall, blonde, tan, pretty girl and slim with a good figure. I wouldn't go so far as to say anorexic. Nice boobs though probably best not to suck too hard...

The Story:

I was pleased to see that Tia had returned to work after a break as her previous reports had all been very positive, describing an enthusiastic and forward girl who seemed to relish her job.

Unfortunately I have to agree with a recent report: her heart just isn't in the job now and I can only imagine that it's a reluctant return.

BJ was OK, sex dull and the whole experience was rushed. I came quick and left early. There was absolutely no enthusiasm, just apathy. She simply did not want to be there and I left feeling a little sorry for her.

A real shame.
