The Premises:

Nice flat above a shop in the Brislington area of Bristol. Public car park (free) just down the road. Very safe and discreet.

The Lady:

Very intelligent, well travelled, very articulate, great fun and very, very sexy. Voluptuous, firm figure. If you passed her in the street you would definitely give her a second, or third look.

The Story:

I have visited Paris's web site a few times. We exchanged a couple of e-mails and I telephoned in the morning to check that Paris was free. I spoke to a very pleasant receptionist and was given very clear directions as to how to get to the flat. Paris prefers the half hour appointments and having dealt with the cash side of things the time passed very quickly. Not much hanging about but plenty of real kissing and great sex. Shower afterwards and with a final kiss and cuddle, I was on my way, a very satisfied customer. If you let Paris know what your favourites are, you won't be disappointed. Very glad I visited and I can't recommend Paris highly enough. I'll be back soon.
