The Premises:

usual cleanliness however this time the other shower was not workin and the one which was workin was freezing..

only 3 in when i arrived and would have chose any of them,then on way out it was a full house with all the girls sitting..i need to try the orgy sometime.

The Lady:

crackin lookin tall slender brunette wearin a nice pair of white french knickers and white lace top.wow factor.10.nice tattoo on her lower back and tiger on her calf..

The Story:

gave the massage another miss cause i really wanted to have more time playing.caroline is a czech girl who is very sexy and had a wonderful pair of firm breasts.her body was so fit and slender and with her heels on she was my height ,over 6ft.

i started off by going down and giving her oral on her trimmed sweet pussy.i think she was shocked at this as i was the one meant to be payin for her services.then i asked for owo which i had to persuade her to do.really nice suckin from her,so i cheekily asked for cim in mouth which she declined,however i used my charm and temptation of a bit extra cash.and i got my wishes,,brilliant...i never tried for another round or sex as i was kinda worn out from my g/f last night and this morn.

i think it pays to try your luck when askin for extras and also tt take time to please them too. well thats my plan and im stickin to it.

finished of with a chat and a wee peck
