As per picture. Nice blonde with perfectly formed natural C tits.

The Story:

Very good GFE experience overall.

Lots of foreplay and teasing, then nice BBBJ given with me sitting at the edge of the bed, and her kneeling in front of me. Good technique and let me control the pace with my hands on the back of her head. Didn't last too long though.

On with the condom, and passionate missionary with DFK for most part, then finished in doggy.

She gave me a nice massage on my back after, and after about 10 mins, she started stroking me back to life.

On with another condom, and she started riding me cowgirl. Switched to missionary again, and with her talking dirty when I was pounding her, it was a real turn on. Through no fault of her own (I had had an early start and a long day, I couldn't finish the job and brought the attempt to a close.

Highly recommend Nadine for those looking for a passionate session with a gorgeous blonde girl, with lots of GFE.

Outcall next time I reckon.
