The Premises:

A clean and tidy mews flat with really good parking nearby. A nice neighbourhood and a freindly welocme made me feel really safe.

The Lady:

A party with three girls 2 blondes and a brunette, all of them young slim and sexy. All girls were well made up and friendly.

The Story:

Sable?s party was great; from the moment you stepped through the door everything was friendly and welcoming. All the girls were up for it straight away.

All of them were attentive and never seemed to tire of making everyone?s day a whole lot better; whether that?s a 20 minute blow job and taking the load like a trooper or your favourite position or getting two on one. I came three times and didn?t think it was too many.

The little things were just right too, the place was neat, the food was good, the jumbo wide screen TV provided a nice background, and there was enough private space for the even the shyest guy to get his end away.

All round, several million out of ten.
