The Premises:

Pleasant house in a good, quiet residential area a few miles outside Bath. Very easy to find. Plenty of free and safe street parking. Very safe area.

The Lady:

Kelly Powers is stunningly good looking. Her photos are fine and give a fair impression of her, but they really don't do her justice. She has soft, smooth, tanned skin. Her body, which is well toned, is superb. She has wonderful, firm, natural boobs. She's been a photo model for years and you can see why.

The Story:

As well as looking great, Kelly has a brilliant smile and a laugh which lights up her face. She's great fun to be with, really interesting and easy to talk to. She does this special offer of two and a half hours for ?250 (which is seriously good value for money) and the time just flashed by. And she's definitely not a clock watcher. There was no sense of rush and in fact we were over the agreed time when I left her house. I could happily have spent the same time all over again with her.

As for the sex, I really enjoyed it. She gives excellent oral and she seemed to enjoy receiving it. Which was great for me because I could happily spend all day at it, especially when the pussy in question is as sweet and responsive as Kelly's.

I really enjoyed being with Kelly. It was fun, relaxing and she was incredibly sexy. My thanks to her for a great afternoon.
