The Story:

Great time. Was only going for a single lady but turned on by the place. Brilliant time. massage then down to business oow, girls on each other, kisses like no other place I have been to, reverse oral. Lots of fun, ended with making love to both of girls--a miracle for me. Came all over Di's bottom mmmm Afterwards Di had to go to see some one else Issy stayed and there were more kisses and cuddles Always been happy at kernes other two places but this the best yet
