The Lady:

Slim Lady with small tits and small ass - maybe 5'5". White caucasian says she is from Finland, maybe Baltics. Older then I thought and too much make up for my taste, but she is not to go out with ;-)

The Story:

After the paperwork was dealt with she did not waste much time and started with OWO to get me going. Time to get fully undressed and down on the bed. Some more OWO with medium technique I would say. On with the rubber and cowgirl then mish watching how her tight pussy makes the moves with every push...ohhh. Did not think it could get tighter, but she suggested anal. So lubbed up and fucking her anal doggy. She certainly seems to enjoy. Pounding away I came inside her ass. Then she cleaned up and gave a short massage. After some rest I tried for a second round, with some more rest she got me going again with OWO until I was up for round two. Enjoying her pussy so much I punded away until I came.

Do not recommend because she not really is my type - though you not always get a tight pussy and anal offered.
