The Premises:

The Lady:

Late 20's Blonde with very pretty face and sparkling eyes, great figure.

The Story:

Arrived and went through usual security steps, then sorted out finances.

Jazz is a beautiful girl who gives the look of innocent and has a wicked streak - she does have a dom side but that was not what I was after.

She arrived in a stunning outfit basque black stockings and knee length leather boots with steel heels.

Jasmine is a great kisser and after a nice relexing massage she was sat on my face and boy does her pussy taste good.

What then followed was an hour of great riding doggy and jasmines favourite missionary but with those boots on my shoulders and rubbing against my ears, lovely and deep!!.

If you want a real girlfriend or horny wife experience then look no further than jasmine.
