not a bad place, parking could be tricky because its close to Whiteladies road.

The Lady:

quite a good looking lady about 40 , blond hair , nice tits , natural bush and a few tattoos.

The Story:

started with a quick rub down then she asked me if i wanted to give her a rub down , so i did. she layed face down legs apart so i went in for a closer look. her cunt smelt fresh and clean so i started to lick her. after a while i turned my attension to her asshole, she liked this. she pushed her ass right in my face and my tongue slipped right up her ass. she liked it so much i thought id stick a finger up her ass and her cunt . moved into 69 (covered). after a couple of minutes she got on top for a while and finished with doggy.

all in all a good punt . this is the first report ive done in ten years of punting , hopefully more people will write them because it seems to have gone pretty quiet for reports in bristol.
