The Story:

Abi was very sweet and friendly, just moved apartments so a little manic. Very chatty and fun time had. Be aware that she has a full time day job so do not be too demanding or at least be understanding if she is looking tired. Dodgy looking porter at the entrance to her mansion block but just ignore him as he is just looking for a chat.

Was my first booking with Atlantic which was handled with great professionalism by Lisa - would recommend her agency with no reservations.
