The Premises:

Residential house in a quiet road. Place is well decorated and you are met by a nice maid as always.

The Lady:

OMG ! Blonde, slim, straight out of a porn film looks. European looks and features, she was totally STUNNING.

The Story:

One of the most memorable punts i have ever had.

She led me through everything, and was totally a great GFE. With her on top, the eye to eye contact...even let me indulge in some anal, begging me to bang her harder.

This girl is a gem of a find, and a total nasty girl, with awesome looks. She loves her job and it shows in her performance.

Great OWO and CIM to boot.
