The Lady:

Daniella is physically very striking. She stands at 5'8" with long dark hair and hazel eyes. Has a stunning 38DD chest with the most wonderful perky boobs which seem to defy gravity slightly. I found her eyes to be particularly striking. Extremely attractive face whic absolutely melted me.

The Story:

Daniella may not be working at Debbies any longer. I've noticed her profile is still on there but that she has been removed from the rota.

I arrived early and was kept waiting. I was grateful of the wait however as Kelly was maiding. I'd been tempted to see Kelly before as she normally works Wednesdays but she had just swapped with Daniella and now works Sundays. She is 100% yummy mummy with a body to die for and a very sexy way about her.

About 10 minutes into the wait Daniella appeared at the doorway to the lounge with her arms across her lovely boobs. She ran across the room looking a bit shy and delved into her bag, grabbed a dildo and ran back out again. Although this destroyed the mystique of getting her naked gradually - it was definitely a turn on. She was one hell of a body, with lots of curves, a natural looking tan and a fine pair of haunches.

Having got in to see her and opted for the assisted shower @?70. I was extremely well looked after. Her covered BJ was out of this world. She looks you in the eye with those BIG dark eyes of hers and really gets the blood pumping. Reverse Oral was also great, with some real enjoyment from her. She also fucked herself vigorously with that dildo and then sat on my face with a very sweet tasting ...erm...flower. Her english is good and her manners impeccable. We finished with me perched precariously on the bedstead and her bouncing on top of me. I didn't last long, having made

the fatal mistake of looking at her in the mirror. Wow!

I'm a regular punter and this is one of my better experiences. I almost never visit a girl twice. Why bother when there are so many more girls to see. But Daniella will be an exception. I sincerely hope she hasn't been pulled from the rota permanently or got into any kind of trouble. She was a credit to Debbies, where standards are always very high.
