The Premises:

Renovated massage parlour in the town centre - very quiet location on a Sunday.

The Lady:

Lovely, friendly black lady with a great smile, large chest and a wonderfully wet welcome.

The Story:

General massage on me exploring all my tender bits and then reverse O and massage for Caprice. Moved onto finger fuck and fisting - very well lubricated and nearly took my whole hand in. Finished with hand job whilst laying together after her climax. Definite recommendation, not just because of the great value for money.
