The Story:

Have not had so much enjoyment regarding sex in as long as I can remember. 4 absolute beauties who were only interested in having fun. They rarely left the bedroom except to drag someone in to join them. There were about 8 other men and the party was expertly hosted by the very genial Moss. Plenty of wine and good chat between energetic bouts of sexual antics.

My reservations about attending parties was that the girls might be just going through the motions but here, they certainly were not.

Thanks a million girls (and Moss) and I cannot recommend highly enough. I will certainly come back as often as my stamina will allow!
