The Premises:

Very nice, warm and friendly atmosphere. On street parking but quiet with no strange looks from locals - safe enough.

The Lady:

Gorgeous! Dark hair, ebony skin and a smile that would help flowers to blossom.

Casey is not currently listed on the house web site - so take my word for it, she has all the ammunition a woman could wish to offer together with a fabulous personality.

The Story:

I actually visited to see Michelle, who happened to be busy, so whilst waiting I got talking to Casey - after 5 minutes of meeting this woman I decided she was the one!

I wont go into crass detail but suffice to say we spent a very pleasant hour together, it turned a regular Tuesday into one I shall remember for a long time - and she seemed to enjoy herself to. So there we are - everyones happy!!

Obviously I'll be clicking "Yes" to both of the questions below, but to be honest I really don't like the idea of sharing this precious little gem!
