The Premises:

She has a nice clean place.

The Lady:

She is a beautiful young woman. She has a sexy figure, with boobs that are so nice to taste. Far better in person than what the photo shows.

The Story:

Because I don't know this part of London too well, I was really chuffed to find sky's home. I have wanted to see sky for a long time and I am so glad that I did.

Anyway, I finally arrived and wow, sky is far more beautiful in person. She had a nice dress on and really looked the part.

Once we got all the formalities over and down with, we shared a drink and a wee chat. She is not just a pretty face, she knows her stuff.

After a drink and a chat, she led me into the bedroom. We kissed, then she gradually undressed to reveal a slim sexy body. She then slowly undressed me. Once I had reached my boxer's she slipped her hand inside and that got me going hard, real hard. She took her bra off and what a pair, like two water lemons, except these I could taste and touch.

Sky then took me by the hand and led me onto her bed. She took off my boxer's and gave me owo which was simply the best. It was so deep and so wonderful. My hard dick inside her mouth that I finally gave up and everything came out.

After we cleaned up and chatted for a few minutes, she got me hard. On the johny and round two. Inside that lovely body where she knows how to rock and roll. She went on top and then I went on top.

What can I say, except that Sky is a wonderful person to speak with and truly attractive. Will you marry me Sky? Only joking, but she has that effect.

I love women, and this woman is the best!!!!!! Forget the rest, sky is number one!!!!!!
