The Premises:

Reasonable area - lots of curry houses, local shops etc. On one of the main streets out of Bedford, so quite busy. Safe enough; the place has a camera-on-the-door access system in an entrance that's hidden from the street and a maid at a desk inside; quite a professional setup.

The Lady:

PHWOOAARRR!!! Best thing to come out of Prague since Good King Wenceslas! Pictures on the website are accurate but in the flesh, she's even better; speaks perfect English.

The Story:

First of all, she undressed me, then a brief massage by a girl who, just for a change, actually knows something about massage! It didn't last long before I rolled over and she unhooked her bra.

I'm not going into all the details but services were with a condom and done with care and courtesy; afterwards, we chatted about music and other things. I'd spent half an hour with a beautiful young woman; outside, it was a rainy afternoon in Bedford...
