The Story:

A fantastic way to spend an hour on a Friday afternoon.

Sue met me on the door step with a smile and kiss. She made every effort to make me feel totally relaxed. I fillwoed Sue upstairs as she led me to the bedroom. I got a purrrfect up-skirt view of her arse, wow.

I lay on the bed and Sue ran her hands over my back to ease away the stresses of the day. She tickled in all of the right places. I couldn't resist anymore so I turned over to face the music. Sue started with more cuddles and the lill soldier stood to attention. OWO was the best ever. It took some serious effort not to lose it there and then. Whilst Sue was blowing my mind I was able to play with her now wet pussy. I had to return the favour so we swooped positions. After a few mins she started to quiver, she tasted sweet.

Sue then went back down on the lill soldier and he let go in her mouth. Not a drop was spilt.

Worth every single penny. I will be back for more and more.

Highly recommended, go on treat yourself.
