The Premises:

A familiar block I am sure for many of us London adventurers , I always like it here , nostalgia I think !Small but ok room . Totally safe and anonymous .

The Lady:

Talia has a lovely figure , she is actually Belgian with perfectly ok English , an unusual cocktail ! She is built more like a petite Latino , with the most perfect heart shaped bottom I think I have ever encountered - I am an insatiable bum lover , I love them a little bouncy and fleshy and this was heaven !Lovely little tits too !

The Story:

Talia was fairly businesslike at first but soon I found her warm and obviously intelligent , one to grow on you I think !She could do a lot I think by glamming up a bit perhaps , but I liked her and although she was a little passive her bod really turned me on and her pussy was as wet and juicy as you could want ! Had a gorgeous mish fuck clasping her divine arse and after 30m or so I managed to recover to cumm again while she sort of sat on my face with that butt and wanked me to a frenzy , cumming twice even in 90m is something pretty unusual for me ! An unusual sort of girl but one I came away with a bit of a fascination for , I liked her sort of down to earth honesty a lot and if you are a man into perfect bum worship then you will not find another botty like this , and I have kissed and caressed oh so many !! Will see her again I am sure .
