Stunningly beautiful, very leggy and with an ass to die for.

The Story:

My first time at the Galley and had to leave and come back as all the girls were busy, When i returned i met 3 of the 4 ladies working and chose Crystal, what an inspired choice ! very sexy massage followed by covered oral, then my turn to return the favour, Crystal tasted wonderful, very responsive and if i am not mistaken she actually had a climax and she even commented on her first orgasm of the day !! Crystal constantly utters words of encouragement and kisses like a truly great girlfriend, i now wish i have opted for the full hour, maybe next time Crystal.

PS, next time maybe you can turn your mobile off first.

All in all a remarkable time spent in the company of a lovely Lady who pampers to your every need.

Thanks Crystal
