### The Lady:

Carmen is new to Director Lodge and i think its her first day working, She early 20's 5'6 shoulder length blonde hair and green/blue eyes with pert tits, size 8 Very attractive and one of the best looking wg i've seen around and BOY i am a picky git when it comes to girls, She got this soft spoken voice which is a turn on for me.

### The Story:

First report on PunterNet so bare with me guys

I?ve waited in the room and Carmen entered the room looking very sexy, would not go to much into details but, she massage my back, me massage her back/front, she massage my front giving attention to little boy till it was nice and hard, then came on the cover for a good cowgirl session till I exploded. All the time she made sure that I was enjoying myself which was a good thing and offered me to kiss her pert tits all the time as she know I loved them

Very good punt and hope she will stay there so I can see her over and over again, Poor girl thought that I didn?t like her as I was very quite, Carmen if you reading this, Its not you It?s me, I'm a shy guy but next time I be more talkative LOL
